

Eaton UPSgrade Program

UPSGrade your existing UPS systems!

Trade in your old Eaton UPS or a competitor's UPS for a new unit!

What is UPSgrade?

- The Eaton UPSGrade program is an easy and cost effective way to upgrade your existing UPS
- Any UPS can be traded in, regardless of the manufacturer.

Why UPSgrade?

- Through your Eaton channel partner, special incentives are available for upgrading your UPS systems.
- Upgrading your UPS will provide you with the latest Eaton technology
- Eaton manufacturers systems specifically designed for industrial applications

How does UPSgrade work?

- Review your older UPS systems that may not be supported any longer by the OEM for parts and service agreements
- Provide your Eaton channel partner with information on these UPS systems, such as model and configuration.
- Your Eaton channel partner will provide you with a proposal for a replacement UPS system.
