

## JANUARY

### Instrumentation

January 9-12	Basic Instrumentation (I-101)
January 17	Level Measurement - Interface (L-110)
January 23-24	Introduction to Flow Measurement (F-101)
January 25-26	Advanced Flow Measurement (F-102)
January 30-February 1	Advanced Instrumentation (I-201)

## FEBRUARY

### Instrumentation

February 28-March 3	Food & Beverage (FB-101)
---------------------	--------------------------

### Analytical

February 6-8	Basic Analyzer Chemistry (BC-101)
February 14-16	Basic Gas Analytics (TDL-101)
February 20-22	Basic Chromatography (BGC-101)
February 27-March 1	Sample System Maintenance (PSS-101)

## MARCH

### Instrumentation

March 6-7	Introduction to Level Measurement (L-101)
March 8-9	Advanced Level Measurement (L-102)
March 14-16	Troubleshooting (TS-201)
March 28	Heat Trace Fundamentals (H-101)

### Analytical

March 20-23	Siemens Advance Chromatography (SA-101)
