

UPCOMING WEBINAR/VIDEO SESSION

Learn From The Experts

You're invited to join the Vector Controls & Automation Group for our "Learn From The Experts" educational webinar/video conference sessions. These sessions are an online technical training webinar or video conference and are intended for our customers in the automation, instrumentation, mechanical and analytical fields. The complimentary 45 minute training sessions are conducted by Vector CAG personnel and industry guest speakers.

**THURSDAY
8.6.2020**

Upcoming Session: **Thursday, August 6th - 1:00PM-1:45PM CST**

Laser Based – Open Path Gas Detection

Join Vector CAG and manufacturing partner, Boreal Laser as we share with you Open Path Laser Gas Detection. Boreal Laser develops, manufactures, and sells laser based gas detection products for both industrial leak detection, ambient monitoring, or process monitoring/control applications all around the world through a network of highly technical distributors. Their products are ideal for a variety of industrial applications including leak detection, ambient monitoring and process monitoring or control. This webinar session will focus specifically on the open path laser gas detection sharing with the audience the following;

- The importance of the role that sensing elements play within a fire & gas safety system.
- Demonstrate how large area coverage, fast speed of response, and low end detection limits increase the odds of detecting the leak.
- Highlight how critical it is to have a fail safe gas detector.

Vector Host and Moderator

Chad Nelson

*Business Development Manager –
Fire and Gas Specialist*

Boreal Laser Subject Matter Expert

Kyle MacDonald

VP, Sales & Marketing

Gain Insights and Knowledge

Vector CAG has partnered with the top manufacturing partners in the industry to provide unsurpassed products, solutions and technical service to meet the ever changing industry needs. These sessions are a great opportunity to gain insights and knowledge, learning directly from an industry expert. A Certificate of Participation can be emailed to you following the training session.
