

UPCOMING WEBINAR/VIDEO SESSION

**THURSDAY
8.20.2020**

Learn From The Experts

Your invited to join the Vector Controls & Automation Group for our "Learn From The Experts" educational webinar/video conference sessions. These sessions are an online technical training webinar or video conference and are intended for our customers in the automation, instrumentation, mechanical and analytical fields. The complimentary 45 minute training sessions are conducted by Vector CAG personnel and industry guest speakers.

Upcoming Session: Thursday, August 20th - 1:00PM-1:45PM CST

Join Vector CAG and manufacturing partner, Endress+Hauser as we introduce you to "Liquid Analysis in the Digital Age"! We will begin with sharing the flexibility of the CM44X sensor, following with a deep dive on the Memosens® technology. Memosens® undoubtedly sets standards in process analytics. It is not only much more reliable than old, analog sensor technology but also more user friendly and convenient.

Further information on the following will be shared:

CM44X Flexibility

- Multi-Sensor Technology Recognition
- Multiple Digital Output Protocols HART, Modbus TCP, PROFIBUS
- Up to 8 Sensor on a Single Transmitter
- Memosens® Digital Sensor Connectivity

Memosens® Technology

- Waterproof Inductive Connection
- NO Exposed Metal to Corrode in Process Atmosphere
- Plus Preventative Maintenance of Sensors Using Memobase® Plus

Together, Vector CAG and Endress+Hauser look forward to sharing this perfect industry solution with you!

Vector Host and Moderator

Jeremy Wilson
Account Manager

Endress+Hauser Subject Matter Expert

Butch Dailey
Product Business Manager Liquid Analytics

Gain Insights and Knowledge

Vector CAG has partnered with the top manufacturing partners in the industry to provide unsurpassed products, solutions and technical service to meet the ever changing industry needs. These sessions are a great opportunity to gain insights and knowledge, learning directly from an industry expert. A Certificate of Participation can be emailed to you following the training session.

Contact your local Vector CAG Account Manager for further details or visit <https://vectorcag.com/vector-university/webinars/> to review schedule and register today!
